AND WHEREAS it is desirable that methods of bargaining and all matters pertaining to the working conditions of the employees be drawn up in an agreement;

Whenever the singular is used in this Agreement, it shall be considered as if the plural has been used where the context of the party or parties hereto so require.

NOW, THEREFORE, the parties agree as follows:

ARTICLE 2: RECOGNITION AND NEGOTIATIONS

- (a) The Employer or anyone authorized to act on its behalf recognizes the Union as the sole collective bargaining agency for its employees classified and covered by this Agreement and hereby consents and agrees to negotiate with the Union or anyone authorized to act on behalf of the Union, in any and all matters affecting the relationship between the parties to this Agreement, looking forward to a peaceful and amicable settlement to any differences that may arise between them.
- (b) No Other Agreement
No employee shall be required or permitted to make any written or verbal agreement with the Employer or its representative which may conflict with the terms of this Collective Agreement, without the consent of the Union.

ARTICLE 3: RIGHTS OF EMPLOYER

The Union recognizes the rights of the Employer to operate and manage the schools in accordance with its commitments and responsibilities, and to make and alter from time to time rules and regulations to be observed by employees; such rules and regulations shall not be contrary to any provisions of this Agreement.

The Employer shall always have the right to hire, assign, discipline and discharge employees for proper cause, and such right shall not be exercised in a manner inconsistent with the provisions of this Agreement.

ARTICLE 4: Workplace Environment

- (a) No Discrimination
The Employer, its servants and agents agree that there shall be no discrimination, interference, restriction or coercion exercised or practiced with respect to any employee in the matter of hiring, wage rates, training, upgrading, promotion, transfer, layoff, discipline, discharge or otherwise by reason of grounds protected by the BC Human Rights Code, nor by reason of membership in a labour union, and the employees shall at all times and in like manner act in good faith toward the Employer.

(b) No Harassment in the Workplace

The Union and the Employer recognize the right of employees to work in an environment free from all harassment, and shall take such actions as are necessary respecting an employee engaging in harassment in the workplace.

- (i) Complaints of this nature shall be treated in strict confidence by both the Union and the Employer and shall be addressed in accordance with Board policy and regulation. Any grievances regarding a harassment complaint may be initiated at step two (2) of the grievance procedure.
- (ii) An alleged offender shall be given notice of the substance of such a complaint under this clause and shall be given notice of and be entitled to attend, participate in, and be represented at any meeting under this clause.
- (iii) Pending determination of the complaint, the Secretary-Treasurer may take interim measures to separate the employees concerned if deemed necessary.
- (iv) In cases of harassment the Employer shall have the right to transfer or discipline any person found to have harassed an employee or supervisor.
- (v) Any employee displaced as the result of a transfer may exercise bumping rights as provided in Article 11.

ARTICLE 5: UNION SECURITY

Every employee who is now or hereafter becomes a member of the Union shall maintain membership in the Union as a condition of employment and every new employee whose employment commences hereafter shall within thirty (30) days after the commencement of employment, apply for and maintain membership in the Union as a condition of employment.

ARTICLE 6: UNION DUES

The Employer agrees to deduct from the pay of each employee bi-weekly dues, assessments or initiation fees levied, in accordance with the Union By-Laws and owing by them to the Union. Deductions shall be made from the payroll bi-weekly and shall be forwarded to the Secretary-Treasurer of CUPE Local 5523 not later than the 10th day of the month following, accompanied by a list of all employees from whose wages the deductions have been made.

ARTICLE 7: THE EMPLOYER SHALL ACQUAINT NEW EMPLOYEES

The Employer agrees to acquaint all new employees with the fact that an Agreement between the parties is in effect and with the conditions of employment set out in Articles 5 and 6 dealing with Union Security and Dues Checkoff. Shop Stewards shall be notified by the Employer of new employees in their department within five (5) working days of the employee's hire.

New employees shall be presented with a copy of the Agreement by the Employer and with the name and address of their shop steward on commencement of employment.

ARTICLE 8: LABOUR MANAGEMENT NEGOTIATIONS

- (a) The Employer agrees to the appointment of a Labour Management Negotiations Committee consisting of four (4) appointees of the Employer and four (4) appointees of the Union. Each party shall notify the other party in writing, of its appointees and any subsequent changes thereof.
- (b) Additional Representatives
Each party to this Agreement shall have the right to have the assistance of a representative when dealing or negotiating with the other party.
- (c) Meeting of Committee
In the event of either party wishing to call a meeting of the Committee, the meeting shall be held at a time and place fixed by mutual agreement, however, such meeting must be held not later than six (6) calendar days after the request has been given.
- (d) Function of Committee

- (e) Time Off for Meetings
Any representative of the Union on this Committee, who is in the employ of the Employer, shall have the privilege of attending meetings of the Committee held within working hours without loss of remuneration provided the department head has prior notice.
- (f) Agreement Printing
The cost of printing the collective agreement in booklet form shall be equally shared by both parties.

ARTICLE 9: DEFINITION OF EMPLOYEES

- (a) Regular Employees
Regular employees are those employees who have been assigned to a regular position and who have completed probation in accordance with Article 10(b). This includes full and part-time employees.
- (b) Temporary Employees
Temporary employees are those employees who replace regular employees on leave or who are hired for specific projects.
- (c) As of July 1, 2023, the following groups of employees shall receive an increase from \$1.50 to \$1.75 per hour in lieu of sick leave (Article 21), paid leaves of absence (Article 22), benefits (Article 30) and clothing allowance (Article 31(f)).
- (i) regular employees on layoff who are called for temporary work under Article 11(f), on expiration of the two-month period under Article 11(g);
 - (ii) temporary employees with seniority;
 - (iii) probationary employees without seniority from the 120th day of work in the preceding twelve (12) months.

Payment will be made provided that the employee meets one of the following criteria: an eight (8) hour employee (i.e. bus driver or temporary trades worker) who works four (4) hours or more a day or a seven (7) hour employee (i.e. EA, clerical or office worker) who works three and a half (3.5) hours or more a day.

ARTICLE 10: SENIORITY

- (a) Definition
Seniority is length of service with the Employer and, except as provided for in Articles 10(b) and 10(c) with respect to temporary employment, shall date from the original date of commencing work. The Employer shall maintain a seniority list showing the commencement date of each employee's seniority. An up-to-date seniority list shall be sent to the Union and posted on all bulletin boards in April of each year. The Employer shall be notified within thirty (30) days of any errors.

Seniority shall operate on a bargaining unit-wide basis.

(b) Regular Employees' Attainment of Seniority – Probation Period

Newly hired employees or temporary employees appointed to regular positions shall be on probation for sixty-five (65) of the employee's working days or six (6) calendar months, whichever comes sooner from the date of commencing work in the regular position. During the probationary period employees shall be entitled to all rights and privileges of this Agreement unless otherwise provided. Employees appointed to their first regular position and still on probation shall not be eligible to post into a second position until their probation is completed or by mutual agreement. The standard of discharge for newly hired employees or temporary employees without seniority shall be lack of general suitability for continued employment during the probationary period.

Employees with seniority who prove unsuitable in the probationary period shall be returned to their former position without loss of seniority or former hourly wage rate, and any other employee promoted or transferred because of the rearrangement of positions shall also be returned to their former position without loss of seniority or hourly wage rate.

On completion of probation, employees without seniority shall have their seniority be effective from the original date of commencing work and any days actually worked as a temporary employee within the preceding twelve (12) months shall also be counted as time accumulated for seniority purposes. The date of commencing work where temporary work is to be counted shall be determined by adding the number of working days equal to those actually worked by the employee to the date of commencing work as a regular employee. A statutory holiday shall be considered a day of work.

Probationary extension shall only be done with Union agreement no less than two (2) weeks prior to the end of the probationary period.

(c) Temporary Employees' Attainment of Seniority

(i) Temporary employees shall be placed on the seniority list when they have completed one hundred and twenty (120) days, including paid statutory holidays, in the preceding twelve (12) months. The date of commencing work for seniority purposes shall be twenty-four (24) weeks, prior to the day on which the employee became eligible for inclusion on the seniority list, or;

(ii) Temporary employees shall be placed on the seniority list when they have successfully completed a sixty-five (65) day trial period in a temporary posting. The date of commencing work where temporary work is to be counted shall be determined by adding the number of working days equal to those actually worked by the employee in the preceding twelve (12) months to the date of commencing the temporary posting. A statutory holiday shall be considered a

day of work. Once seniority has been attained the standard of discharge shall be just cause.

(iii) Notwithstanding the above, for the purposes of call-ins to relief or temporary work, seniority will be recognized for temporary employees.

(d) Seniority During Absence

If an employee is absent from work because of sickness, accident, layoffs, or leave of absence approved by the Employer, they shall not lose seniority rights.

(e) Loss of Seniority

However, an employee shall lose seniority in the event the employee:

(i) is discharged for proper cause and is not reinstated;

(ii) resigns;

(iii) is absent from work in excess of five (5) working days without notifying the Employer unless such notice was not reasonably possible;

(iv) after a layoff fails to return to work within seven (7) calendar days, after being notified by registered mail to do so, unless through sickness or other just cause. It shall be the responsibility of the employee to keep the Employer informed in writing of their current address;

(v) is laid off, not on an approved leave, and does not accept offered work for a minimum of twelve (12) offered shifts per school year.

(vi) is not on an approved leave and does not accept offered work for a minimum of twelve (12) offered shifts per half year. Each half year is defined as the period from February 1 to July 31 and August 1 to January 31 in any calendar year.

(f) Transfers and Seniority Outside the Bargaining Unit

No employee shall be transferred to a position outside the bargaining unit without consent. If an employee is transferred to a position outside of the bargaining unit, the employee shall retain their seniority in the bargaining unit for two (2) years.

If such an employee later returns to the bargaining unit, the employee shall be placed in a job consistent with their seniority. Such return shall not result in the layoff or bumping of an employee holding greater seniority.

(g) Retention of Seniority Rights

In the event that the Employer shall merge, amalgamate or combine any of its operations or functions with another Employer, the Employer agrees to the retention of seniority rights for all employees coming within the new bargaining unit of the successor Employer.

ARTICLE 11: LAYOFF, BUMPING AND RECALL

(a) General

Both parties recognize that job security shall increase in proportion to length of service. Therefore, in the event of a layoff, reduction of hours, bumping and recall, the governing principle shall be seniority, except as otherwise provided.

Temporary employees not on the seniority list shall not be entitled to bumping and recall rights.

(b) Procedure

The Employer shall determine which positions are to be terminated or reduced in hours. Where positions are interchangeable and not tied to geographic location, the positions occupied by the most junior employee shall be terminated or reduced.

(c) Notice

In the event of reduction in the workforce, the Employer shall serve written notice on those employees who will be laid off or have their hours of work reduced, as follows:

- (i) Regular employees - not later than thirty (30) calendar days prior to the effective date of layoff or reduction of hours.
- (ii) Temporary employees on the seniority list - not later than seven (7) calendar days prior to the effective date of layoff.
- (iii) Where recall from layoff is for a temporary period of less than fifteen (15) working days, notice under this clause shall not be required for subsequent layoff.

Such notice shall advise the employee of their right to bump and shall contain a copy of the seniority list.

(d) Bumping

- (i) An employee whose position is subject to layoff or reduction of hours shall be entitled to bump a junior employee provided the employee is qualified to perform the duties of the position occupied by the junior employee.

- (ii) If an employee is in the process of preparing for the required qualifications at the time of notice of layoff or bumping, the employee shall be allowed to bump provided the qualifications are achieved before the scheduled date of assuming the position.
 - (iii) Full-time employees may bump any employee. Part-time employees may bump only part-time employees.
 - (iv) Where a temporary position occupied by a regular employee is terminated, the employee shall revert to their previous position.
 - (v) The employee shall exercise their bumping right by informing the Employer of choice(s) within seven (7) working days of receiving notice under (c) above. Where an employee declines to exercise their right to bump, the right shall be forfeited for that layoff or reduction.
 - (vi) Where an employee exercises the right to bump and subsequently is unable to perform adequately the duties of the position, the employee shall have one further right to bump. This bumping right shall be limited to the most junior employee holding the same hours or less of the bumped position, whose position the employee is qualified to fill. Any layoff which occurs as a result of an employee exercising this bumping right will not be restricted and may occur after September 30.
 - (vii) Employees must occupy their bumped position before the position is considered to be theirs unless serious illness, injury or leave of absence prevents the employee from occupying that position. If the employee cannot assume their bumped position within eight (8) weeks the bumping rights of the employee will be deferred until such time the employee can return to work.
 - (viii) If the employee can assume their bumped position in eight (8) weeks or less the bumping process will continue with the incumbents assuming their bumped positions.
 - (ix) If the regular employee is in a temporary posted position at the time of bumping, the employee must assume the bumped position.
- (e) Recall
- (i) Employees who are laid off or have exercised their right to bump shall be recalled to their former position when it becomes vacant. "Former position" shall mean a regular position previously occupied prior to being laid off or bumped within the last two (2) year period.

- (ii) Where the former incumbent on layoff is not the senior person on layoff, the most senior laid-off employee shall be recalled to the position subject to recall. However, part time employees on layoff cannot be recalled to a full time position.
- (iii) Where hours are increased to their former level or higher and the previous incumbent exercised the right to bump, that employee shall have the right to recall. Where the former incumbent declines recall, the position will be posted.
- (iv) Where a position becomes vacant and the former incumbent is no longer available or declines the recall, the vacancy shall be posted in accordance with Article 12. Vacant positions which were not affected by layoff or bumping shall be posted in the normal manner.
- (v) Subject to Article 10(e)(v), recall rights shall be maintained by an employee for a period of two (2) years.
- (vi) Should an employee be subject to multiple bumping, that employee shall have the preferred choice of position of recall provided the positions were occupied, subject to seniority.
- (vii) Acceptance of recall to a previously occupied regular position, or posting into another regular position, shall extinguish recall rights. Acceptance of recall to a temporary position does not extinguish recall rights.

(f) Temporary Work

Employees who are laid off shall inform the Employer in writing of the nature and location of temporary work to which they wish to be called. Employees shall be called to such work in seniority order so that no qualified employee is involuntarily without work while a more junior employee is working.

Employees whose temporary work ceases shall not have the right to displace another employee whose temporary work will continue for less than a further two (2) weeks.

The Employer agrees to pay its share of the monthly premium of the medical, extended health, dental and group life plans up to two (2) months for regular employees who have been laid off.

(g) Continuation of Benefits

The Employer agrees to pay its share of the monthly premium of the medical, extended health, dental and group life plans up to two (2) months for regular employees who have been laid off. On expiration of the two (2) month period, a

regular employee on layoff may choose to continue on the regular benefit plans provided the plan permits. In such case the employee shall be responsible for payment in advance of both the employer and the employee shares of the premium costs for one (1) month at a time.

- (h) Except for (g) above, this Article shall not apply to the annual summer layoff of school term (nominal ten-month) employees. The availability of summer work for such employees in each school district shall be determined by the local parties in accordance with local past practice.
- (i) Resignation Pay
A laid off employee who resigns shall be paid one weeks pay for each completed year of service up to a maximum of twenty (20) weeks' pay, provided that the employee:
 - a) has at least one year of service, and
 - b) has exhausted their bumping rights and
 - c) provides their notice of resignation within 30 days of layoff

ARTICLE 12: POSTINGS AND STAFF CHANGES

- (a) Job Posting
 - (i) When a vacancy occurs the Employer shall notify the Union by electronic mail and post notice of the position electronically and in the Employer's office, shops and on all Union designated bulletin boards for a minimum of five (5) working days in order that all regular employees will know about the position and be able to make written application therefor. Such notice shall contain the following information: nature of position, required knowledge and education, ability and skills, shift and wage and salary rate or range.
 - (ii) No advertisement for additional employees shall be made until after such posting has been completed. By agreement with the Union this requirement may be waived for an individual posting.

If other jobs or skills are added to a job posting then this will be done with union consultation.
 - (iii) If a position is to have an increase in temporary hours to become full-time, then the Employer is not required to post the position, however if these temporary hours are determined to be ongoing hours for the subsequent school year, they will be posted and filled in the usual manner prior to the last Friday in June.

If a position is to have an ongoing increase in posted hours to become full-time, then the Employer must post the position (unless the position was previously

reduced from full-time and the incumbent declined to exercise their right to bump).

(b) Temporary Postings

- (i) In the event of a temporary vacancy in excess of eight (8) weeks, that vacancy (position #1) will be posted in the normal manner.
 - a. If no regular employee, on the main seniority list applies for the temporary vacancy (position #1) then the job shall be available to qualified persons in the following order:
 1. Employees on layoff
 2. Temporary employees with seniority
 3. Student supervisors, subject to selection process
 - b. If no employee in group (a) applies for the vacancy, management shall fill the position according to the Collective Agreement.
- (ii) Should a regular employee on the main seniority list be the successful applicant for position #1, that employee's job (position #2) shall be posted temporarily. Should a regular employee on the main seniority list be the successful applicant for position #2, that employee's job (position #3) shall not be posted. Position #3 shall be available to qualified persons on layoff firstly then to qualified temporary employees with seniority, then to qualified student supervisors. If position #3 is a Custodian-in-charge (with supervision) position, that position shall first be offered by seniority to the custodian(s) assigned to that school. The resulting vacancy shall be available to qualified persons on layoff firstly then to qualified temporary employees with seniority, then to qualified student supervisors. In the event the vacancy is more than ½ time and is for a period of 10 or 12 months, posting will continue in the normal manner.
- (iii) At the end of the temporary posting position, unless the former position has been eliminated or reduced in hours, the regular employees shall return to their former positions. There are no bumping rights at the end of temporary postings.
- (iv) Employees in temporary positions will be required to complete their temporary positions before being eligible for an appointment to a subsequent temporary position.

(c) Method of Making Appointments

- (i) Both parties recognize that job opportunity should increase in proportion to length of service. Therefore, in making staff changes, appointment shall be made of the applicant having the greatest seniority, and having the required

qualifications, fitness and ability. Union members are entitled to union representation when being interviewed.

(ii) Trial Period

The successful applicant shall be provided with an orientation as required at the commencement of the job and shall be placed on trial for a period of sixty-five (65) of the employee's working days. In the event the successful applicant proves unsatisfactory in the position during the aforementioned trial period, or so chooses within fifteen (15) working days, they shall be returned to their former position without loss of seniority or hourly wage rate, and any other employee promoted or transferred because of the rearrangement of positions shall also be returned to their former position without loss of seniority and hourly wage rate.

(d) If the posted position becomes vacant within twenty (20) working days of the successful applicant commencing work, the next most senior person with the required qualifications, fitness and ability who had originally bid on the position will be awarded the vacancy.

(e) Union Notification

The Union shall be notified in writing of all appointments, hirings, layoffs, resignations, rehiring and terminations of employment within 10 (ten) working days.

(f) Disabled Employees' Preference

Any employee covered by this Agreement who has given good and faithful service to the Employer and who, through advancing years or disablement is unable to perform their regular duties, may be given the preference of any suitable light work available at the salary payable at the time for the position to which the employee is assigned.

(g) Preparing for Qualifications

In cases of preparing for qualifications, certification or another spoken language, the Employer shall give consideration to employees who do not possess the required qualifications, but are preparing for qualification prior to filling of a vacancy. Such employees will be given an opportunity to qualify within a reasonable length of time and to revert to their former positions if the required qualifications are not met within such time.

(h) Transfers

By mutual agreement between the Employer and the Union, an employee may be transferred from one position to another in the same classification within the school district:

- (i) if it is considered the employee can better serve the Employer in the new situation, or it is proven that a move will be beneficial to the employee;
 - (ii) an employee may be temporarily transferred for training in an appropriate school.
 - (iii) in cases where there is a duty to accommodate or findings of workplace harassment or bullying.
- (i) Summer Postings
Vacancies in the summer months may be posted on the district website for ten (10) working days commencing June 30, July 15, and August 15. Notice of all posted vacancies shall be distributed through district email to all employees. Hand delivered or emailed applications will be acceptable.

ARTICLE 13: GRIEVANCE PROCEDURE

In the event that the Employer should introduce any technological methods or mechanization which require new or greater skills than are possessed by an employee under the present method of operation such employee shall, at the expense of the Employer, undergo a period of training, during which time the employee will have the opportunity of becoming fully qualified. Prior to entering into the training period, discussion shall take place between the parties to this Agreement in order to determine the manner and method of replacing the employee while undergoing training and the job to which the employee may return should they be unsuccessful in the training.

1. Provide a minimum of four (4) hours of paid professional development or alternative work on one non-instructional day during the school year to each Education Assistant in a regular or temporary posted position. 3. EDUCATION ASSISTANTS (EA)

1. EAs with primary responsibilities in the following categories or programs are not eligible for postings between the posting meeting in September and the last Friday in June:

Resource Rooms
Physically Dependent/Deaf Blind
Low incident needs students

Notwithstanding the above, there may be students in other categories where the EA change will be a serious disruption and detrimental to the student. In these instances the Board designate and the Union designate shall review whether the EA has a primary responsibility with an identified student and thus will not be eligible for postings during the school year.

For the purposes of this Letter of Understanding, primary responsibility is identified as an EA whose assignment is 70% or more with an identified student.

In the event that an employee disputes their primary assignment is 70% or more, the following process shall apply:

The Secretary-Treasurer's designate and a Union representative shall meet to review and resolve the matter.

If the Secretary-Treasurer's designate and the Union representative cannot resolve this matter it will be subject to the grievance procedure as provided in Article 13.

2. EA positions that become available or vacant between the last Friday in June and a posting meeting held during the month of September shall be filled as follows:

- 2.1 Positions vacant will be filled on the basis of seniority providing necessary qualifications by those present at the meeting.
- 2.2 Vacancies resulting shall be filled from those present at this same meeting or filled subsequently by temporary appointment.
3. New postings created after the posting meeting will be filled on a temporary basis until the end of that school year. If these new postings are determined to be ongoing positions for the subsequent school year they will be posted and filled in the usual manner prior to the last Friday of June.

EAs, other than those identified in #1 above, may apply for postings which would increase their number of hours per week or increase the rate of pay.

4. Staff changes that become necessary during the school year will be dealt with through transfers initiated by the Board in the following manner:
 - 4.1 When a work location identifies a CUPE employee as not required at that location the employee will be so informed.
 - 4.2 Prior to initiating a reassignment, the Board will provide the employee with an opportunity to indicate preferences to be considered for any available positions within the same classification for which that employee is qualified.
 - 4.3 If there are no available positions within the same classification or at the same or greater number of hours, the Board may reassign the employee to another work location at the same classification and at the same or greater number of hours or to the casual list.

Due to valid concerns, should the employee find none of the choices to be acceptable, the following procedures will apply:

- 4.4 A Joint Committee will be struck to assess the validity of the employee's concerns and to discuss further options.
- 4.5 Should the Joint Committee not agree, the disagreement shall be referred to Article 13 Grievance Procedure, Step 3.
- 4.6 Failing resolution of Article 13, the matter will be referred to Article (14h) Expedited Arbitration.

5. Temporary vacancies where the term of the vacancy is uncertain (.... or upon return postings). Should the incumbent return to work during the school year, the Board will place the temporary EA in a position guaranteeing the same number of hours per week as their regular posted EA position. This guarantee will be to a maximum of 3420 hours for the school year. When the maximum of 3420 hours is reached, the EA will be placed on the casual list. Subsequent vacancies will not be posted until displaced EAs have been assigned.
6. No provision of this clause is intended to prevent EAs from posting into other full or part time positions in other classifications at any time.
7. In the event that an employee disputes the temporary nature of position posted during the school year, that designation as temporary and the restriction noted in Subsection 1 above, will be subject to the grievance procedure as provided in Article 13.
8. The parties shall meet when deemed necessary by either party to review the terms of clause 1 above.

4. JOINT JOB EVALUATION MAINTENANCE PROCEDURES

All newly created or revised jobs shall be referred to the Joint Job Evaluation Committee for review and rating. The Maintenance Procedure will be used to maintain the Job Evaluation Plan in the following instances:

1. Joint Job Evaluation Committee

- 1.1 The parties shall each appoint four (4) members to the Joint Job Evaluation Committee.
- 1.2 The terms of reference of the Committee shall be as set out in this Letter of Understanding.
- 1.3 The Committee shall meet as required to carry out its tasks. Evaluations of positions under section 2 Evaluations and section 3 Appeal Procedures shall be completed within one month of submission under sections 2.1.2, 2.2.1 or 3.1.1 as the case may be.
- 1.4 A Committee member shall be excused from rating their own job, the position of a direct subordinate, or any employee where the rating of that job may place them in a conflict of interest.

2. Evaluations

2.1 Creating of a new position

- 2.1.1 It is the responsibility of the Employer to prepare a job description whenever a new job is created.

- 2.1.2 The job description shall be referred to the Committee which will determine the appropriate rating and advise the Employer.
- 2.1.3 The Employer shall provide the incumbent of the new position with a copy of the job description and rating upon appointment.
- 2.1.4 If the Committee is unable to establish a rating for a newly created job prior to posting of the position, the Employer may proceed with implementation using an interim rating.
- 2.1.5 After six (6) months from the appointment of an incumbent to the position, the incumbent(s) and the supervisor shall complete a Job Evaluation Questionnaire, which shall be submitted to the Committee.

2.2 Changes to existing positions

Job descriptions shall not be construed as prohibiting the Employer from requiring incumbents to perform comparable or transient duties within the area of knowledge and skills required by the job description. However, if such additional assignments become a continuing responsibility, or they become recognized as part of the job requirement and they are of sufficient importance to potentially influence the job rating, the following procedures apply:

- 2.2.1 The Employer or incumbent shall complete a Request for Review Form, forwarding copies to the Committee for review as soon as possible.
- 2.2.2 The Committee shall review and confirm or revise the evaluation ensuring the adequacy of the job description and/or application of the evaluation manual.
- 2.2.3 Copies of the Advice of Decision form shall be forwarded to the employee(s), Employer and the Union.
- 2.2.4 If either the employee, the Union or the Employer does not agree, the decision may be challenged through the appeal procedures as outlined.
- 2.2.5 When a job description and evaluation is changed by the foregoing process, it shall be implemented retroactively to the date when the Request for Review form was completed.
- 2.2.6 Any employee affected by downward adjustment shall be red-circled as of the date in 2.2.5 above.

3. Appeal Procedures

- 3.1 The appeal procedure may be used by incumbents, the Union or the Employer after the job description and job rating has been completed as per section 2 (Evaluations) and either party feels that the job description is inadequate or the rating for the job is incorrect.

Steps in the Appeal Procedure are as follows:

- 3.1.1 When there is a concern that the job description is inadequate or the rating is incorrect, it shall be referred to the Joint Job Evaluation Committee, who may discuss the matter with the incumbent, the Union and the Employer. Concerns should be referred to the Committee as soon as possible after they become apparent.
- 3.1.2 If the Committee agrees to a change in the evaluation, it shall be revised and implemented accordingly.
- 3.1.3 If the Committee does not agree that a discrepancy exists, the Committee will so advise the parties.
- 3.1.4 If the parties involved do not accept the Committee's decision, they may pursue the matter through the arbitration process.
- 3.1.5 When a job evaluation is changed by the foregoing process, it shall be implemented retroactively to the date as in 2.2.5.

4. Arbitration Procedures

- 4.1 When agreement cannot be reached in the Committee on matters involving the accuracy of job descriptions and evaluation and/or the interpretation and application of the job evaluation rating manual, the matter shall be referred to a mutually agreed upon mediator.
- 4.2 Where mediation is unsuccessful, the matter may be referred to arbitration.
- 4.3 The selection and subsequent appointment of an arbitrator shall be by mutual agreement between the Union and Employer. Should there not be agreement, Article 14 shall apply.

5. General Maintenance Procedures

The Committee shall:

- 5.1 Review and recommend revisions to the evaluation manual, forms and procedures as deemed necessary.
- 5.2 Every three years or otherwise, as deemed necessary, review the rating of a sampling of jobs selected by the Committee for the purpose of ensuring that relativity is being maintained.

1. This Agreement addresses disputes in the Maintenance and Custodial Department including Capital Projects which may arise pursuant to Article 33 of the Collective Agreement.
2. The Employer agrees that Article 33 protects work presently performed or hereafter assigned to the bargaining unit.
3. Such work will not be contracted out without consulting and reaching agreement with the Union. The Union will not withhold agreement unreasonably.
4. The parties recognize that if an emergency arises, the Employer may need to engage a contractor without being able to consult and reach agreement with the Union.
5. 8. The mandate of the Committee is to discuss and reach agreement on any issue of whether contracting out under Article 33 is to proceed, any issue under Section 6 of this agreement over whether custodians' services were reasonably necessary and any dispute over whether an emergency arose within the meaning of Section 4 of this Agreement.
9. The Committee will meet once each month and wherever any party feels it is necessary in addition to that.
10. Any matter that is not resolved by the Committee may be referred by either party to Marguerite Jackson of Enderby, B.C., for an expedited ruling. If Marguerite Jackson is unavailable, the parties will call Colin Taylor, Q.C. of Kelowna.
11. This resolves grievances put before Stephen Kelleher, apart from Lynn Frerichs.

Article 11(d) BUMPING - TRANSPORTATION DEPT. EMPLOYEES
Layoff from position or Reduction in hours

Given the unique situation in which transportation department employees hold one or more regular posted positions resulting in full time, the parties agree to the following process in the event of layoff resulting from either the termination of a position or a reduction in hours.

1. When a transportation department employee holds one or more regular postings totalling 40 hours per week they will be considered as full time employees who may bump any employee within the department.
2. When a transportation department employee holds one or more regular postings totalling less than 40 hours per week they will be considered as part-time employees who may bump only part-time employees within the department.
3. Retention of Duties Option:
 - 3.1 In situations where a portion of a full-time transportation department employee's daily hours are terminated or reduced, the remainder of the daily duties may be retained. Example - When an employee holds two postings and one is terminated or reduced the other posting may be retained.

The bumping procedure in this example would deal with only the one posting that was terminated or reduced and would result in the employee bumping a position, within the transportation department only, that when combined with the retained posting would not exceed 40 hours per week.

- 3.2 In situations where a portion of a part-time transportation department employee's daily hours are terminated or reduced, the remainder of the daily duties may be retained. Example: When an employee holds two or more postings and one is terminated or reduced, the other posting may be retained. The bumping procedure in this example would deal with only the one posting that was terminated or reduced and would result in the employee bumping a position, within the transportation department, that when combined with the retained postings would total less than 40 hours per week.
4. This letter does not preclude any transportation department employee from exercising their bumping rights to bump into other classifications within the bargaining unit subject to the normal provisions of Article 11. In situations where a transportation department employee decides to bump into other classifications they may not retain a partial posting within the transportation department.

11. TRANSPORTATION SERVICES
BUS DRIVERS - ASSIGNMENT PROCESS

The purpose of this Letter of Understanding is to formalize the assignment of extra trip bus driving that occurs outside of the posted positions.

For the purpose of this Letter of Understanding, “extra trips” shall mean bus trip assignments other than those regularly scheduled trips between home and school as outlined in the posted positions.

The parties hereby agree that Articles 16 and 17 shall operate in the following manner:

1. Article 17(c) (ii) and (iii) shall apply.
2. The Union agrees that straight time shall be payable for hours of driving up to thirteen (13) per day or forty (40) per week, including regular hours worked and including driving on Saturdays and Sundays. Where driving time on a single extra trip exceeds 8 hours in one day, overtime rates will apply.
3. The parties agree to this process of additional work assignment to holders of regular bus driving postings by releasing them from posted shifts where time conflicts exist. The additional hours available are calculated not to exceed the difference between the drivers weekly posted total and a maximum of 40 hours.

This goal shall be achieved by extending the daily limit beyond 8 hours while maintaining the weekly total of 40 hours.

3.1 Exemptions

- overnight trips – are to be available to drivers with a regular or temporary posting on a rotational basis in seniority order.

- weekend trips – are to be available to drivers in order of seniority who have sufficient hours remaining within their maximum allowable driving hours to complete the trip.
- projects or regular driver absences of a five day duration or over – shall be available to the senior driver who will gain hours and shall create only one regular route vacancy

Some runs will continue to be designated with a unique “relief” status that will require predetermination of replacement personnel such as wheelchair bus. To be eligible for these assignments drivers shall indicate their intention to the Transportation Manager or designate in September of each year. Senior trained drivers may leave their posted position to fill the wheelchair bus position.

3.2 Guidelines to determine eligibility:

Daily limit - the current eight hour daily limit will be extended to 13 hours.

Weekly limit - the current weekly limit will remain at 40 hours.

Work Week - the work week will be defined as Monday through Sunday.

3.3 Process:

To accomplish this process drivers may be excused from their posted positions in order to gain the additional hours. It is not intended to be a method of exchanging regular hours.

Work will be assigned subject to seniority, eligibility requirements and driver availability as is the current practice in other categories.

Work in this job category will be assigned according to home areas of:

- Vernon
- Lumby/Cherryville
- Lavington Elementary trips with a western destination will be considered a Vernon area assignment and eastern destinations will be considered Lumby/Cherryville

Each work assignment shall only create one regular route vacancy, i.e., if a driver is excused from a 3-hour posting this vacancy shall be filled by a spare and not reassigned to a 2-hour driver.

3.4 Eligibility

Drivers must be able to gain a net increase of at least one hour to be eligible for assignment under this process.

The formula used to determine eligibility is a calculation of the difference between the driver's posted weekly hours and the maximum allowable of 40 hours.

3.5 Availability

Procedures will be in place for drivers to advise office staff as to their availability for assignment under this category on a weekly basis.

3.6 Spare Drivers

Spare driver shifts will consist of those vacancies for which regular drivers (those in posted positions) are unavailable under the district assignment processes. These may be 2 or 3 hour shifts. In the case of predictable 3 hour shift vacancies, exceeding five (5) days, these will be offered to regular drivers.

Assignments will include regular route vacancies that result from absences for reasons such as:

- Illness
- personal leave of absence
- additional work assignments

Spare drivers will also be assigned to extra work of a 2-hour duration that conflicts with regular posted shifts.

Employees with their name on the spare call-out list are agreeing to be available for the above-described work unless they state a specific restriction that is agreed upon by the employer.

4. Scheduling and assignment of "extra trips" shall be done considering seniority, regular route commitments, hours of work limitations (13 hours per day, 40 hours per week) and individual driver availability. Emergent situations outside the control of the transportation department shall be assigned as required. The specific scheduling and assignment process as outlined in LOU11, LOU11 Appendix and the Southern Settlement Agreement (Spring 2016), which complies with the obligations in this section is appended to this LOU and may be changed by mutual agreement of the parties.
5. Problems concerning work load and safety shall be resolved between the Supervisor - Transportation Services and the Union.
6. Pay Increments
 - a) For extra trip assignments, drivers will receive the following pay for additional time at work beyond their regularly assigned driving schedule:

- for the first hour, a minimum of one (1) hour;
 - for time worked beyond the first hour, in half hour (30 minute) increments.
- b) For route delays not encompassed in posted hours and meetings (which will be tagged to work i.e. there will not be a gap between the meeting and driving time), drivers will receive pay in half hour (30 minute) increments.
- c) Drivers who have been called into work when no scheduled work is available will be paid a minimum of two (2) hours.
- d) Drivers called in on a non-work day for scheduled professional development will be paid a minimum of four (4) hours.

Drivers are expected to work the entire time that they are paid during their regularly assigned driving schedule and as outlined in a, b, c and d above.

Access to Information

The Employer will post every week the next two weeks projected trip schedule. The sign up sheets will be posted. On request by the Union, the Employer will provide confirmation of the actual schedule worked by the Drivers.

General

The parties agree that Lisa Southern will remain seized of any matters related to the interpretation, administration or implementation of the Settlement Agreement (Spring 2016).

Signed at Vernon, British Columbia, this 24th day of July, 2019.

LOU 11 – Appendix – Scheduling and Assignment Process

1. A draft schedule (the “Draft Schedule”) will be posted two (2) days before the shift commences. This means that the schedule for Day 3 will be posted by noon (12:00 pm) of Day 1.
2. Drivers can provide input and comments about the Draft Schedule for Day 3 up until 1:00 pm on Day 2. The final schedule will be posted for Day 3 by 2:30 pm on Day 2 (the “Final Schedule”). If an error is on the Draft Schedule, and not raised by a driver or the Union before 1:00 pm on Day 2, the parties agree it will not be grieved. If an error is drawn to the Employer’s attention prior to 1:00 pm and is not corrected, the Union reserves the right to grieve.
3. If changes are required after the Final Schedule is posted on Day 2 and until 7:00 am on Day 3, the following process will be followed:
 - a) Extra trips will be assigned to the next senior, available driver who is not currently assigned to a conflicting trip;
 - b) The Employer will provide the opportunity to the most senior driver who would otherwise have been assigned the work to make up any lost hours of work within the next work day (Day 3) performing duties in the Transportation Department as assigned by the Employer. The minimum hours of work will not apply to this work;
 - c) The same process will apply for spare driver call out.
4. After 7:00 am on Day 3, the following process will be followed:
 - a) If an assignment becomes available, it will be announced on the radio, with the following information: the location of the assignment, the assignment start time, the duration of the assignment.
 - b) The assignment will be given to the most senior, available driver who promptly answers the radio call, has hours available and who does not have a conflicting trip.

12. WORK EXPERIENCE PLACEMENT AGREEMENT

The Parties to this Letter of Understanding agree that the provision of work experience for secondary school students is in the best interest of the community as a whole and students in particular. The purpose of this Letter of Understanding is to set in place the framework within which Work Experience placements shall operate.

The following terms and conditions must be met in order for a Work Experience placement to be acceptable:

TERMS OF REFERENCE

1. For the purpose of this agreement, work experience placements are identified as follows:

A Work Experience placement is designed to introduce students to specific work experiences and skills by placing the student in a working environment for a prescribed period of time in order that the student can experience first hand the demands of the workplace, jobs and skills they will face when entering the work force.

EMPLOYMENT ISSUES

2. A Work Experience placement is not to be made when such placement will replace a regular, part-time, or casual worker who is on lay-off or whose job has been eliminated due to budget cuts or downsizing. Should a lay-off of any regular, part-time or casual worker(s) occur during the placement, the educational supervisor will be notified and the placement will be terminated.
3. At no time will a student be placed in a workplace during an industrial relations dispute between the Union and the Employer. If an industrial relations dispute arises during a work experience placement, the educational supervisor will be

notified and the student will be removed from the workplace until such time as the dispute is resolved.

SAFETY ISSUES

4. Before a student is placed in a work experience placement they will be given general occupational health and work place safety training.
5. On the first day of the work experience placement the student will be given a site specific occupational health and safety training orientation before any hands on tasks are performed.
6. It is the joint responsibility of the School District, Employer and Union to ensure that the student has all appropriate safety equipment needed for that work site as required by the Workers' Compensation Board.
7. It is the responsibility of the School District to provide Workers Compensation coverage for any student being placed in a Work Experience placement.

SUPERVISION ISSUES

8. The student on a work experience placement must be supervised at all times by the worker(s) whose job they are learning. At no time will a student on a work experience placement be allowed to perform hands on work unsupervised by the worker whose job the student is learning.
9. The worker who is assigned to supervise a student on a work experience placement will be provided with adequate time to work with the student without penalty or threat of discipline.
10. Where the workplace being considered for a work experience placement operates on a two or three shift basis every effort will be made to place the student on the first (day) shift. In the case of a workplace operating on a seven day rotation every effort will be made to place the student on the Monday to Friday rotation. Where these two criteria cannot be met the Union must be notified in advance of any variation.
11. No student will be placed in a work area where confidentiality of records must be maintained. Where exclusion from such area is not possible students must be given instruction concerning the protection of confidentiality.
12. Regular meetings between the partnership Union, Employer and School District will be held to discuss the status of work experience placements.

13. Upon the start of a placement the student will be given an orientation by a Union representative as to the role of the Union in the work place.

14. YOUTH WORK IN TRADES PROGRAM

The parties support the goals and mandate of the Youth Work in Trades Program. The Program assists secondary school students in gaining valuable work experience and trades training.

The Youth Work in Trades Program (YWIT) is:

- A combination of the Apprenticeship Training system and the K-12 Education system leading to graduation and apprenticeship.
- Practical skill development through workplace-based training.

The Youth Work in Trades Program (YWIT) offers:

- Formalized dual credit towards graduation and apprenticeship hours.
- Access to the apprenticeship training systems while in school.
- A provincially credited and seamless program.
- Opportunities for students who have the aptitude, motivation, and academic ability to start their career paths.
- Links to the world of work.
- Increased relevance and practical application of the secondary school curriculum.

The following principles shall govern the placement of YWIT students within the School district and various components:

1. No position in the bargaining unit shall be lost, nor shall any bargaining unit employee be laid off or have their hours reduced as a result of the placement of a YWIT student with the School district.

2. The YWIT student placement shall not exceed 900 hours.
3. A student shall not commence the YWIT program after the school year they turn 19 years of age.
4. The YWIT student shall not be a member of the Bargaining Unit and the Union. The provisions of the Collective Agreement, including Union membership and dues or seniority shall not apply to students participating in the YWIT program with the School district.
5. While coordination of the Youth Work in Trades Program remains the responsibility of District educational staff and management, the placement of YWIT students must be by written mutual agreement of the selected Employee, Union and Employer.
6. Upon the start of the placement a Union representative will be given an opportunity without loss of pay to provide an orientation to the student as to the role of the Union in the workplace.
7. The rate of pay for YWIT students shall be 25 cents less than the Utility Grounds Crew rate. (See Letter of Understanding #2).
8. The District will not rely on student participation in the program set out in this Letter of Understanding to argue that work is not exclusively performed by bargaining unit members.
9. Funding for the implementation of the Youth Work in Trades Program and the placement of students shall come from education program sources.
10. This letter may be cancelled by either party on 60 days written notice effective the end of the current training cycle.

15. STRONG START COORDINATOR

1. In recognition of the character of the Strong Start Program, similar to the recognition given to the distinct character of some other programs and positions under the collective agreement, the Union and Employer have agreed that in addition to the terms contained within Article 11(d), the following shall apply to Strong Start Coordinators:

The employer reserves the right to deny an employee to bump into a Strong Start Coordinator position if this would create a negative impact on the Strong Start Program.

2. The times of the year at which the Strong Start Program will be offered and whether it will always be tied to the school calendar are uncertain. It is agreed that as a ten-month program, the annual vacation for the Strong Start Coordinator is to be scheduled so there is no interruption with the delivery of the program. The Union and Employer have agreed that in addition to the terms contained within Article 20 of the collective agreement, the following shall apply to Strong Start Coordinators:

Strong Start Coordinators will take their annual vacation during Winter and Spring Break or otherwise when the program is not operating.

3. The daily operation of the Strong Start Program does not mirror the K-12 education programs or the school day. The Union and Employer have agreed to recognize this in the application and administration of Articles 16(c) and 16(d) the hours of work provisions of the collective agreement. The parties agree to the following paragraphs:

Minimum Hours

The parties agree that, having regard to the unique nature of the position of Strong Start coordinator, the needs of the program and the requirement for flexibility in scheduling hours of work outside of the hours of operation of the Strong Start Centre, the four-hour minimum shift shall be interpreted as an average four hours work daily over the course of a four week period.

Break Periods

The parties agree that the paid rest period contemplated by Article 16(d) shall be taken during times that will not interfere with the operation of the Strong Start Centre.

All provisions of the collective agreement apply to Strong Start Coordinators save and except for the provisions as outlined in this LOU.

4. The Union and the Employer agree that this Letter of Understanding will continue until such time as the Union and the Employer agree to terminate or amend the Letter of Understanding.

16. INDIGENOUS SUPPORT WORKERS

The parties to this Letter of Understanding acknowledge the unique nature of Indigenous Education targeted funding and recognize the desire to provide an equitable level of Indigenous support services.

The parties agree as follows:

1. The parties recognize and support the need for flexibility to determine assignments for each upcoming school year. Staffing requirements and positions for the school year commencing in September will be established in the preceding May of that year.
2. Each position must identify a Family of Schools and the total number of hours for the position identified for the purposes of a posting. School sites would be indicated on a Family of School posting; however, the posting would reference that re-assignment to other worksites within the Family of Schools may occur.
3. Re-Assignment of hours within the identified Family of Schools does not “trigger” a bump/layoff situation.

All provisions of the collective agreement apply to ISWs save and except for the provisions outlined in this LOU.

1. Departmental call-out lists are established by management from qualified candidates as amended from time to time. Employees on the call-out list are agreeing to be available for all un-posted temporary work for which they are qualified unless they state a specific restriction which is agreed upon by the employer. This Letter of Understanding does not apply to the Transportation Department which shall follow the assignment process outlined in Letter of Understanding: Transportation Services; Bus Drivers – Assignment Process.
2. Availability for Work
 - (a) Any employee not available for call-out for any period of time in excess of five (5) working days will notify the employer of any day(s) they will not be available.
 - (b) If the employee fails to notify the employer of such period of absence and/or they do not make themselves available for work unless for sickness or other just cause, they may be removed from the list.
 - (c) If the employee is not on an approved leave and does not accept offered work for a minimum of twelve (12) offered shifts per half year they will lose their seniority as per Article 10(e). Each half year is defined as the period from February 1 to July 31 and August 1 to January 31 in any calendar year.
3. Employees are called in the following order:
 - (a) Laid-off employees in seniority order as per Article 11 – Lay-offs and Recall.
 - (b) Qualified temporaries with seniority and qualified regular employees with seniority.

- (c) Qualified temporaries without seniority.
4. Employees are called in by their immediate supervisor(s) or designate. In the event of two or more available vacancies the senior employee shall be offered choice of assignment.
 5. If an employee does not answer the call, another employee on the list will be called until one has been reached and agrees to the work.
 6. Once an employee has accepted a job assignment, they will remain in the assignment for the duration of the regular employee's absence for up to a period of less than two (2) weeks.
 7. If, after a number of shifts worked by a temporary employee without seniority, the Supervisor is not satisfied with the work performance, the Secretary-Treasurer or designate will inform the employee that their name will be removed from the list. Being removed from the call-out list for poor work performance will be cause for termination of employment.

The parties agree that this LOU does not apply to temporary work for less than twelve (12) month employees where the work is an extension of the employees' posted position.

THIS IS THE MINISTER OF FINANCE (Paul Ramsey) LETTER TO IRENE
HOLDEN/VINCE READY dated June 6, 2000
Ministry of Finance & Corporate Relations Ref. No. 116240

Dear Irene Holden and Vince Ready:

Re: Industrial Inquiry Commission concerning settlement Collective Agreement
Between British Columbia Public School Employers' Association
(and Member School Districts) and School District Support Staff Trade Unions
(IIC#2)

I am writing concerning IIC #2 and your recommendations for settlement dated May 30, 2000 (the "Report") and provided to the parties and government. Some of these issues were also referenced in the Commission's letter of May 31, 2000 to CUPE representative Gary Johnson.

I understand that you intend to use those recommendations for the basis of your binding decision in accordance with your powers under the Public Education Support Staff Collective Bargaining Assistance Act (the "Act").

I note, as well, that you make reference to certain items which the government has agreed to fund. I wish to affirm, for all parties to the collective agreement or to the documents deemed to be a collective agreement under the Act, that the government commits to fund as follows:

1. The monies committed by government and recommended by IIC #2 for the Four Hour Minimum Work Day Fund (\$5 million, annually) on each of July 1, 2000, July 1, 2001 and July 1, 2002, as described in the IIC #2 Report.
2. Should the \$5 million in the fund identified in paragraph #1 above not be entirely expended for purposes related to the Four Hour Minimum Work Day Fund, any surplus will be transferred to the employment security fund on a yearly basis. That fund is identified in paragraph #2 below. This arrangement is also recommended by IIC #2 and described in the Report.
3. The monies committed by government and recommended by IIC #2 for employment security \$3.5 million, annually) on each of July 1, 2000, July 1, 2001 and July 1, 2002 to the Support Staff Job Security Fund as described in the IIC #2 Report.

4. The monies committed by government and recommended by IIC #2 to fund the LTD plan (\$11.8 million, annually) on January 1, 2002, January 1, 2003 and each January 1, thereafter, to the Joint Benefits Trust fund mentioned in the IIC #2 Report and the Accords.

The government also agrees that it would be appropriate for IIC #2 to retain jurisdiction regarding implementation of these items over the course of the collective agreements.

Sincerely,

Memorandum: To All Member School Districts and Support Staff Unions

Settlors Statement on Accepted Policy and Practices of the PEBT

The Public Education Benefits Trust Fund (PEBT) was created in June 2002 and is sponsored by both the British Columbia Public School Employers' Association (BCPSEA) and the Canadian Union of Public Employees (CUPE). The program is governed by a Board of Trustees representing both School Districts and Support Staff workers in the K -12 sector. Currently, there are 59 school districts, 67 union locals, and over 20,000 plan members participating in the trust.

The Settlers to the PEBT are BCPSEA and CUPE. The PEBT holds a Settlers meeting annually where the Settlers are provided with an annual report and update from the Board. The Settlers also have an opportunity to raise issues and give input to the Board.

The PEBT sponsors a confidential Joint Early Intervention Service (JEIS) as an integral part of the disability program to assist plan members in their return to work. The program is supported by Unions, School Districts and the PEBT and is provided through funding from the provincial government for the "Core" LTD.

The PEBT is now entering its eighth year and members are more familiar with the plan and its operations. However, the PEBT Board has asked the Settlers to remind their respective constituents of the importance of following the policies and practices applied by the PEBT in providing the various benefits.

The Settlers recognize the value and importance of the PEBT in the K-12 Public Education Sector. The Settlers also recognize and support following the policies and procedures of the PEBT (outlined at www.PEBT.ca). The Settlers agree to work with and encourage their respective parties to adhere to the policies and procedures of the PEBT.

For further clarification please contact your BCPSEA or CUPE representative.

Provincial Framework Agreement ("Framework")

between

BC Public School Employers' Association ("BCPSEA")

and

The K-12 Presidents' Council and Support Staff Unions ("the Unions")

BCPSEA and the Unions ("the Parties") agree to recommend the following framework for inclusion in the collective agreements between local Support Staff Unions who are members of the K-12 Presidents' Council and Boards of Education.

1. Term

July 1, 2022 to June 30, 2025

2. Wages Increases

General wage increases as follows:

July 1, 2022: \$0.25 per hour wage increase plus an additional 3.24%

July 1, 2023: 5.5% and up to 1.25% COLA adjustment

July 1, 2024: 2.0% and up to 1.0% COLA adjustment

The COLA adjustments will be the annualized average of BC CPI over twelve months per paragraph 4 below

3. Wage Increase Retroactivity

- a. Employees employed on the date of ratification who were employed on July 1, 2022 shall receive retroactive payment of wage increases to July 1, 2022.
- b. Employees hired after July 1, 2022 who were employed on the date of ratification, shall have their retro-active pay increase pro-rated from their date of hire to the date of ratification.
- c. Employees who retired between July 1, 2022 and the date of ratification, shall have their retro-active pay increase pro-rated from July 1, 2022 to date of retirement.

4. COLA Adjustment

The provincial parties agree that in determining the level of any Cost of Living Adjustments (COLAs) that will be paid out starting on the first pay period after July 1, 2023 and July 1, 2024, respectively, the "annualized average of BC CPI over twelve months" in paragraph 2 of the Provincial Framework Agreement means the *Latest 12-month Average (Index) % Change* reported by BC Stats in March for British Columbia for the twelve months starting at the beginning of March the preceding year and concluding at the end of the following February. The percentage change reported by BC Stats that will form the basis for determining any COLA increase is calculated to one decimal point. The *Latest 12-month Average Index*, as defined by BC Stats, is a 12-month moving average of the BC consumer price indexes of the most recent 12 months. This figure is calculated by averaging index levels over the applicable 12 months.

The *Latest 12-month Average % Change* is reported publicly by BC Stats in the monthly BC Stats *Consumer Price Index Highlights* report. The BC Stats *Consumer Price Index Highlights* report released in mid-March will contain the applicable figure for the 12-months concluding at the end of February.

For reference purposes only, the annualized average of BC CPI over twelve months from March 1, 2021 to February 28, 2022 was 3.4%.

5. Public Sector Wage Increases

1. If a public sector employer, as defined in s. 1 of the *Public Sector Employers Act*, enters into a collective agreement with an effective date after December 31, 2021 and the first three years of the collective agreement under the Shared Recovery Mandate includes cumulative nominal (not compounded) general wage increases (GWIs) and Cost of Living Adjustments (COLAs) that, in accordance with how GWIs are defined and calculated in this LOA, are paid out and exceed the sum of the GWIs and COLAs that are paid out in the K-12 Provincial Framework Agreement, the total GWIs and COLAs paid out will be adjusted on the third anniversary of the collective agreement so that the cumulative nominal (not compounded) GWIs and COLAs are equivalent. This paragraph 5 is not triggered by any wage increase or lump sum awarded as a result of binding interest arbitration.
2. For the purposes of calculating the general wage increases in paragraph 1:
 - a) a \$0.25 per hour flat-rate wage increase for employees with their hourly wage rates set out in the collective agreement; or
 - b) any alternative flat-rate wage increase for employees whose hourly wage rates are not set out in the collective agreement that is determined by the

Public Sector Employers' Council Secretariat to be roughly equivalent to a \$0.25 per hour flat-rate wage increase;

shall be considered to be a 0.5% general wage increase, notwithstanding what it actually represents for the average bargaining unit member covered by the collective agreement. For clarity, under paragraph 2 a), the combined GWIs of \$0.25 per hour and 3.24% in Year 1 are considered to be a single increase of 3.74% for this LOA. For example purposes only, combining the 3.74% increase (as it is considered in this LOA) in Year 1 with the maximum potential combined GWI and COLA increases of 6.75% in Year 2 and 3% in Year 3 would result in a cumulative nominal increases of 13.49% over three years.

3. For certainty, a general wage increase is one that applies to all members of a bargaining unit (e.g. everyone receives an additional \$0.25 per hour, \$400 per year, or 1% increase) and does not include wage comparability adjustments, lower wage redress adjustments, labour market adjustments, flexibility allocations, classification system changes, or any compensation increases that are funded by equivalent collective agreement savings or grievance resolutions that are agreed to in bargaining.
4. A general wage increase and its magnitude in any agreement is as confirmed by the Public Sector Employers' Council Secretariat.
5. This paragraph 5 will be effective during the term of the K-12 Provincial Framework Agreement.

6. Local Table Bargaining Money

Provide ongoing funding to the support staff local tables in the amount of:

Year	Amount	District Minimum
2022/2023	\$11,500,000	\$40,000
2023/2024	\$13,800,000	\$50,000
2024/2025	\$17,800,000	\$60,000

This money will be prorated according to student FTE providing that each district receives the district minimum amount.

The district and local must reach agreement on its use and implementation as part of their local discussions. The money may not be used for a general wage increase.

7. Provincial Labour Management Committee

The parties agree to maintain a Provincial Labour Management Committee (PLMC) to discuss and problem solve issues of mutual provincial interest, including issues referred from provincial committees established under this Framework Agreement. The purpose of the committee is to promote the cooperative resolution of workplace issues, to respond and adapt to changes in the economy, to foster the development of work-related skills and to promote workplace productivity.

The PLMC shall not discuss local grievances or have the power to bind local parties to any decision or conclusion. This committee will not replace the existing local grievance/arbitration processes.

The parties agree that the PLMC will consist of up to four (4) representatives appointed by BCPSEA and up to four (4) representatives appointed by the Support Staff Unions. Either provincial party may bring resource people as required, with advanced notice to the other party and at no added cost to the committee.

The PLMC will meet quarterly or as mutually agreed to for the life of the 2022 Framework Agreement and agree to include Workplace Health and Safety as a standing agenda item.

8. Support Staff Education Committee (SSEC)

Structure:

The committee shall comprise of not more than five (5) members appointed by CUPE and five (5) members appointed by BCPSEA. One of the CUPE appointees will be from the Non-CUPE Unions.

Either Party may bring resource people as required, with advanced notice to the other party. These resource people will be non-voting and at no added cost to the committee.

Mandate:

The mandate of the committee is to manage the distribution of education funds for the following:

- a) Implementation of best practices to integrate skill development for support staff employees with district goals and student needs;
- b) Developing and delivering education opportunities to enhance service delivery to students;

- c) Identifying, developing and delivering education opportunities to enhance and support employee health and safety, including non-violent crisis intervention;
- d) Enable the provision of education opportunities to enhance and support the understanding, recognition and reconciliation process with Indigenous Peoples;
- e) Enable the provision of education opportunities to enhance and support equity, diversity, and inclusion as well as cultural safety;
- f) Skills enhancement for support staff;
- g) EA curriculum module development and delivery;
- h) These funds shall not be used to pay for education that Districts are required to provide under Occupational Health and Safety Regulations.

Terms of Reference:

The SSEC shall update, not later than January 31, 2023, the terms of reference for the committee. If no such agreement can be reached the SSEC shall make recommendations to the Provincial Labour Management Committee (PLMC).

Funding:

Commencing July 1, 2022, there will be \$50,000 of annual funding allocated for the purposes set out above. Commencing July 1, 2024, there will be an additional \$1,000,000 of annual funding allocated for the purposes set out above.

9. Safety in the Workplace

The parties agree that prevention of violence in the workplace is of paramount importance. The parties commit to providing a healthy and safe working environment that includes procedures to minimize the risk of workplace violence, such as Individual Safe Work Instructions or equivalent and the obligation to report and investigate incidents of workplace violence.

10. Provincial Joint Health and Safety Taskforce

The provincial parties will establish a Provincial Joint Health and Safety Taskforce of not more than four (4) members appointed by CUPE and four (4) members appointed by BCPSEA. Each provincial party will consider the appointment of subject matter experts in occupational health and safety. Either provincial party may bring resource people as required, with advance notice to the other party. These resource people will be non-voting and at no cost to the taskforce. Costs associated with this Taskforce will be provided from existing SSEAC funds.

The Provincial Joint Health and Safety Taskforce will:

- a) develop Terms of Reference to support training on the 2021 Workplace Violence Prevention Toolkit and the joint health and Safety Evaluation Tool;
- b) support the Support Staff Education Committee (SSEC) in the development of training related to the 2021 Workplace Violence Prevention Toolkit;
- c) provide a joint communication on the availability of training related to the 2021 Workplace Violence Prevention Toolkit for all Occupational Health and Safety Committees;
- d) review and update as required the Joint Health and Safety Evaluation Tool resulting from the 2019-2022 Provincial Framework Agreement;
- e) provide the reviewed Joint Health and Safety Evaluation Tool to each school district and local union;
- f) Identify and share best practices for the development of Individual Safe Work Instructions or equivalent.

11. Job Evaluation

The work of the provincial job evaluation steering committee (the JE Committee) will continue during the term of this Framework Agreement. The objectives of the JE Committee are as follows:

- Review the results of the phase one and phase two pilots and outcomes of the committee work. Address any anomalies identified with the JE tool, process, or benchmarks.
- Rate the provincial benchmarks and create a job hierarchy for the provincial benchmarks.
- Gather data from all school districts and match existing job descriptions to the provincial benchmarks.
- Identify the job hierarchy for local job descriptions for all school districts.
- Compare the local job hierarchy to the benchmark-matched hierarchy.
- Develop a methodology to convert points to pay bands - The confirmed method must be supported by current compensation best practices.
- Identify training requirements to support implementation of the JE plan and develop training resources as required.

Once the objectives outlined above are completed, the JE Committee will mutually determine whether a local, regional or provincial approach to the steps outlined above is appropriate.

It is recognized that the work of the committee is technical, complicated, lengthy and onerous. To accomplish the objectives, the parties agree that existing JE

funds can be accessed by the JE committee to engage consultant(s) to complete this work.

It is further recognized that this process does not impact the established management right of employers to determine local job requirements and job descriptions nor does this process alter any existing collective agreement rights or established practices.

When the JE plan is ready to be implemented, and if an amendment to an existing collective agreement is required, the JE Committee will work with the local School District and Local Union to make recommendations for implementation. Any recommendations will also be provided to the Provincial Labour Management Committee (PLMC).

As mutually agreed by the provincial parties and the JE Committee, the disbursement of available JE funds shall be retroactive to January 2, 2020-

The committee will utilize available funds to provide 50% of the wage differential for the position falling the furthest below the wage rate established by the provincial JE process and will continue this process until all JE fund monies at the time have been disbursed. The committee will follow compensation best practices to avoid problems such as inversion.

The committee will report out to the provincial parties regularly during the term of the Framework Agreement. Should any concerns arise during the work of the committee they will be referred to the PLMC.

Create a maintenance program to support ongoing implementation of the JE plan at a local, regional or provincial level. The maintenance program will include a process for addressing the wage rates of incumbents in positions which are impacted by implementation of the JE plan.

The provincial parties confirm that \$4,419,859 of ongoing annual funds will be used to implement the Job Evaluation Plan.

Effective July 1, 2022, there will be a one-time pause of the annual \$4,419,859 JE funding. This amount has been allocated to the local table bargaining money. The annual funding will recommence July 1, 2023.

12. Committee Funding

There will be a total of \$150,000 of annual funding allocated for the purposes of the Support Staff Education Committee, the Provincial Labour Management Committee and the Provincial Joint Health and Safety Committee.

13. Public Education Benefits Trust

- a. PEBT Annual Funding Date: The established ongoing annual funding payment of \$19,428,240 provided by the Ministry of Education will continue to be made each April 1. This payment shall be made each April 1 of the calendar year to provide LTD and JEIS benefits in accordance with the Settlers Statement on Accepted and Policy Practices of the PEBT.
- b. The Parties agree that decisions of the Public Education Benefits Trust medical appeal panel are final and binding. The Parties further agree that administrative review processes and the medical appeal panel will not be subject to the grievance procedure in each collective agreement.
- c. Sick leave and JEIS eligibility for sick leave or indemnity payments requires participation in the Joint Early Intervention Service (JEIS) according to the JEIS policies of the PEBT.

14. Benefits

- a. Effective July 1, 2023, provide \$3 million dollars as ongoing annual funding to explore enhancements to the Standardized Extended Health Plan, including dental coverage, counselling and other improvements to benefits.

A one-time joint committee of up to four representatives appointed by BCPSEA and up to four representatives appointed by support staff unions will determine the enhancements to be implemented.

Any residual from the benefits standardization will be allocated to the Job Evaluation Fund.

- b. Effective July 1, 2023, provide \$1,000,000 one-time money to the PEBT to be utilized for addiction treatment support programs. The PEBT will determine appropriate terms of use for accessing the funds which will include, but not be limited to: priority access for support staff employees (vs. School Districts), treatment cost considerations, and relapse response.

15. Production of Local Collective Agreements

Provincial Framework Agreement – Appendix A

Letter of Agreement (“Letter”)

Between:

BC Public School Employers Association (“BCPSEA”)

And:

The CUPE K - 12 Presidents’ Council and Support Staff Unions (“the Unions”)

Re: Employee Support Grant (ESG) after June 30, 2022

This Employee Support Grant (ESG) establishes a process under which employees covered by 2022 – 2025 collective agreements between Boards of Education and the Unions shall be entitled to recover wages lost as a result of legal strike activity by the BC Teachers’ Federation (“BCTF”) or lockout by BCPSEA after June 30, 2022.

1. The ESG will be available provided that:
 - a. A board and local union have a collective agreement which has been ratified by both parties no later than January 25, 2023 and,
 - b. There has been no successful strike vote by the BCTF or local support staff union prior to local union ratification.
2. Employees are expected to attend their worksite if there is no lawful BCTF picket line.
3. Employees who have lost wages as a result of not crossing lawful picket lines during full days of a BCTF strike/BCPSEA lockout shall be compensated. This compensation shall be in accordance with the following:
 - a. In the event that employees are prevented from attending work due to a lawful picket line, employees will be paid for all scheduled hours that the employee would have otherwise worked but for the labour dispute. Their pay will be 75% of their base wage rate.
 - b. The residual 25% of the employees’ base wage rate will be placed in a district fund to provide professional development to support staff employees. Funds will be dispersed by the district following agreement between the district and the local union.
4. Within forty-five (45) days of the conclusion of the labour dispute between BCPSEA and the BCTF, boards will reimburse each employee for all scheduled

hours for which the employee has not otherwise been paid as a result of strike or lockout.

5. If the employee disputes a payment received from the board, the union may submit the dispute with particulars on the employee's behalf to a committee comprised of an equal number of representatives appointed by BCPSEA and the Unions.
6. If the joint committee is unable to resolve the employee's claim it will submit the dispute to a mutually agreed upon arbitrator who must resolve the dispute within ten (10) days of hearing the differences between the board and the union.
